8/24/05 - 2574

The Dewans order of the 13 Oct. 1903 expressly contemplates the realization of the Hesserghatta farm being credited to a separate fund and not mixed up with the Kuningal Farm fund. The latter course would seem to be expressly prohibited under para 2 of the Memorandum of the Military Assistant of 26-9-1903. The mixing of the realizations of the two farms into one and the same fund, and paying therefrom to meet the requirements of either farm without due regard to the realizations of each farm, is unauthorized, at any rate there is no order expressly permitting such a procedure.

I should like to know when the Kuningal Farm fund was opened, and the G.O. & references if any connected with it may be put up.

As desired in your letter No.1150 Dated 22-10-03 I have the honor to forward herewith for the approval of Government a set of draft rules for the working of the Kunigal Farm Fund.

In your letter No. 2389 Dated 22-1-04 it is proposed to draw sums required for expenditure on a simple receipt. This arrangement will multiply the work unnecessarily for the amount so drawn will in the first instance have to be debited to 'Advances Recoverable' and then to the fund on receipt of a regular bill. I therefore request to be informed why the amounts required cannot be drawn on a regular audited bill in view of their being debited to the fund direct ~~once~~ for all.

Sir,

I have the honor to acknowledge receipt of your letter No 5922-Gl.Fin.317-04 of the 8th Instant and to enclose in original this Office memo No C 14 of the 26th September 1904 on which the Dewan has recorded his approval of the opening of the Fund in question.

In intimating the above order the Comptroller was asked by me to draw up a set of draft rules for the proper working of the above fund which he did vide copies of correspondence forwarded with this Office No 2720 dated 20th February 1905.

Beyond this I have taken no further action in the matter.

As regards the other points referred to in your letter I beg to reply as follows.

(1) Prior to the receipt of the Dewan's approval referred to above the Superintendent Government Stables was permitted to meet the cost of Hessarahatta Grass Farm Establishment from the money realized by the sale of grass but since the receipt of the above order all charges are being met on audited bills.

(2) As regards the drawing of money on simple receipts.

This was only a proposal which has never been acted on. The subsequent proposal was that all payments against this Fund should be made on audited bills. This the Comptroller agreed to and the Rules should be altered accordingly.

(3) As regards control

Since the ^{an}transfer of the Hessaraphatta Grass Farm to the Military Department I have controlled the working of the same and all payments made against the realizations by the sale of grass were ordered by me. Proper accounts of which are kept by the Superintendent Government Stables and copies filed in my Office.

(4) I trust the information given above will enable Government to sanction the Rules submitted by the Comptroller.

I note for the information of Government that a Fund styled " Kuni al Farm Fund " has been opened at the State Huzur Treasury and that all realizations are being credited thereto and all payments made from it on preaudited bills.

Secretary to the Govt of His Highness the
Maharaja of Mysore Genl & Rev Dept

I have the honor to acknowledge receipt of your letter No F1 6940/G1.Fin.317-04 dated 12th April, 1905 and to inform you that it was originally intended to keep 2 Funds on for Hessarghatta kavals and the other for Nademavinapura and Madure kavals called respectively the Hessarghatta Grass Farm Fund and the Kuniyal Experimental Gram Farm Fund. But as this was found to entail the keeping of 2 separate accounts for no useful purpose I asked the Comptroller to open only one Fund viz "The Kuniyal Farm Fund" to which the earnings of both the Farms should be credited. This was accordingly done.

You will thus see that there is really only one Fund and not two as would appear from the correspondence forwarded to your Office. I regret not having pointed this out to you before but it quite escaped my notice.

The Dewan's sanction was not obtained to the alterations in the name of the Fund. But he was aware of the grass being worked as a Kuniyal Farm credit. In fact the purchase of additional land at the Farm was about to be sanctioned from this source. I will obtain the Dewan's approval of the change of name if such is considered necessary.

I have the honor to be
Sir,
your most obedient servant,

R. G. Jones Lt. Col.

ll Military Assistant.
